Annual Town Hall Meeting**

**March 28th, 2018
Ludcke Auditorium
UNE Portland Campus**

WHO WE ARE ABOUT US

Primary Care Progress is an interdisciplinary collaborative of students from Tufts, UNECOM, UNE Dental, UNE Social Work, and UNE Pharmacy schools with a mission to transform and improve primary care in Maine, with a focus on leadership development, interprofessional collaboration, patient care, and community outreach to high risk, underserved populations.

WHO SHOULD ATTEND

- Primary Care Medical Faculty/Providers: Those interested in transforming their community and health care system.
- Health Professional Students: Those studying medicine, pharmacy, dental medicine, social work, nursing, physical therapy, occupational therapy or more with interest in transforming Primary Care in an interprofessional setting.

COME JOIN US!

You will have the opportunity to communicate with a panel of experts in order to better understand homelessness, identify and assess substance abuse, and gain knowledge of community resources and organizations currently dealing with homelessness in our community.
