

CUP AHEC Scholar

LEARNING ACTIVITY CHECKLIST

COHORT 4 - 2018

To qualify for the honors distinction in the Care for the Underserved Pathway, students must successfully participate, at a minimum, in the following learning activities that are focused on caring for the underserved. By participating in these activities it equates to 40 hours of didactic and 40 hours of community-based experiential learning per year for the course of your two-year involvement in the CUP AHEC Scholars Program. FMI and to learn the date of the program's orientation, access UNE's AHEC Scholars website at www.une.edu/cupahecscholars.

- CUP AHEC Scholars Meetings** (meets 6x per academic year) which focus on the 6 Core Topic Areas;

<i>Interprofessional Education</i>	<i>Behavioral Health Integration</i>	<i>Social Determinants of Health</i>
<i>Cultural Competency</i>	<i>Practice Transformation</i>	<i>Current and Emerging Health Issues</i>

- At least one** of the following activities per year:

- the Interprofessional Team Immersion (IPTI),
- the Interprofessional Geriatrics Educational Practicum (IGEP)
- the Mercy Pain Center (MPC),
- the Mental Health Team Immersion (MHTI) or
- another similar team-immersion experience;

- Year 1 **Rural Health Immersion** (RHI) to a rural community in Maine;

- Year 2 **Rural Health Immersion** (RHI) to a rural community in Maine;

- Two of the following** activities:

- Influenza Vaccine Clinic with online influenza module;
- Public Health Emergency Preparedness training (ACS or POD) with online flu vaccine administration module;
- Substance misuse prevention activity, such as DEA Drug Take Back Day or a Medication-Assisted Treatment workshop, with online opioid use disorder module;
- TeamSTEPPS certification for improved team-based care; or
- Dental Screening & Surveillance;

- Nutrition Education Among Vulnerable Populations** (SNAP-Ed) or other **similar community-based public health activity**, e.g., as part of an IPE Mini-Grant Project, international immersion, community service project, etc.;

- One clerkship/rotation** in an underserved community in Maine (or in the Oral Health Center for dental students) where 4–8 hours per week will be dedicated to interprofessional and population health learning activities

After participation in each learning activity, you need to complete the evaluation survey to receive credit.
The evaluation survey can be found online at www.une.edu/cupahecscholars.

*Additional qualifying activities may exist. Contact Ian Imbert (iimberty@une.edu) to discuss in more detail.

CARE *for the* UNDERSERVED PATHWAY AHEC SCHOLARS PROGRAM

AN HONORS DISTINCTION PROGRAM

Applications are available online at www.une.edu/cupahecscholars. Apply by July 31, 2018.

CUP AHEC SCHOLARS PROGRAM

The CUP AHEC Scholars Program is a two-year honors distinction program offered by the UNE Center for Excellence in Health Innovation, the Maine AHEC Network in partnership with its AHEC Centers across the state, and participating programs at the University of New England. The purpose of the CUP AHEC Scholars program is to provide opportunities for health

professions students to increase leadership skills, gain competencies in interprofessional education and team-based practice, understand and address health disparities and the social determinants of health in rural and underserved communities, and understand the role of practice transformation in addressing significant health and public health issues.
